CHEERS FOR ART PRIZE

FOR Joanna Poulson, 31 (pictured), having her art displayed at the Exeter Hotel is a recognition of her standing as an artist. Poulson is the latest artist to be awarded the annual Exeter Hotel Commission, a joint award between the hotel and Adelaide Central School of Art providing winners with \$2000 towards their study. Poulson's work will be on display for a year. She also has a show at Tin Cat Café, Kent Town, until March 25.
